

Local Government

To help local entities reach their constituents and visitors, we deliver comprehensive county- and city-level mapping. Our award-winning designs enhance the essential information provided by park commissions, transportation departments, economic development, and tourism bureaus. Adept at updating and integrating complex street-level datasets, we cover everything — from creating printed page layouts to developing interactive mapping experiences.

SERVICES

- Custom static and interactive mapping content for all media (printed, web, video, and mobile)
- Research, compilation and editorial services
- Creative graphic design capabilities in 2-D and 3-D
- New media planning to ensure flexible map and graphic file format deliveries
- Large program planning to ensure best use of budgets
- Tourism, transportation, and local event mapping
- 3-D physical terrain models
- Destination content authoring

"We just received the district boundary maps and they are outstanding! I want to commend International Mapping for your exceptional work and effort. You really understand the notion of customer service and epitomize it in your work and your approach."

Robert A. Rammer, Ph.D.

Director—Wheaton, Illinois School District 200
